## BILSDALE AGRICULTURAL SOCIETY

### HEALTH AND SAFETY POLICY

Whilst every endeavour will be made to ensure a safe and enjoyable visit to Bilsdale Show it must be borne in mind that there are potential hazards at any agricultural show.

Particular care should be taken when viewing animals or moving machinery at close quarters and safety barriers should not be breached. Parents or people in charge of children should be particularly aware of the need to protect them from hazards on the showground.

Tent pegs and guy ropes can present a hazard near the marquees.

A copy of the Society's Health and Safety Policy is on display in the Secretary's Tent and the Show's Safety Advisors are available to give advice on safety matters.

All exhibitors, traders and members of the public are required to co-operate with the implementation of the safety policy and to obey the instructions of the show's officers or stewards in connection with this policy.
